### **HELP**

In November our Newsletter has been going for 1 year, and we hope you have found its contents useful and informative. Unfortunately, due to personal events, Mrs Elizabeth Stanford (who was instrumental in getting the newsletter 'off the ground') feels unable to continue; so we are looking for someone to take over the production, (the photo-copying and delivering it are all in place.) If you are interested – have a computer – can spare a couple of hours per month - please let me know. Kate Rose 898562
